All prices are without tax.

**Metre price:** Elpan and Wanpan have an approximate retail price of 55 Euro per metre ex. VAT.

We recommend our costumers to use our **calculation program** on our web-site. On this way you will get a Qty. list, watt-calculation, result of your economic saving, mounting plan and a price. (It only take few minutes to calculate on your room).

**25% savings each year on your heating bill with Elpan or Wanpan thermal encirclement**

- a little heat all the way around the room.

**What you save if the annual heating cost are:**

Present heating price per year.	Saving in %	Saving per year in Euro.	Total saving on 25 years in Euro.
€1.000	25%	€250	€6,250
€1.500	25%	€375	€9,375
€2.000	25%	€500	€12.500
€3.000	25%	€750	€18.750
€4.000	25%	€1.000	€25.000
